

Privacy Policy for Spooky Sweets: Candy Cauldron

Last updated: September 8, 2026

This Privacy Policy describes how **[Your Name or Developer Name]** ("we", "us", or "our") handles user information in connection with the mobile application **Spooky Sweets: Candy Cauldron** (the "Game").

1. Information Collection and Storage

Spooky Sweets: Candy Cauldron is built with privacy in mind. We do not collect, transmit, sell, or share any personal data or personally identifiable information (PII).

- **Player Profiles & Scores:** The Game allows users to set up local profiles and save game scores. All profile names, preferences, and gameplay statistics are stored **locally on your device** only. This information never leaves your device and is not transmitted to external servers.
- **Device Permissions:** The Game does not request access to device features such as your location, contacts, microphone, camera, or device storage files.

2. Advertisements

Spooky Sweets: Candy Cauldron is completely ad-free. We do not use third-party advertising networks, software development kits (SDKs), or trackers.

3. Third-Party Services

The Game does not integrate third-party analytics (such as Google Analytics or Firebase) or third-party login providers. Standard technical data required for app distribution and installation is handled solely through Google Play Services in accordance with [Google's Privacy Policy](#).

4. Children's Privacy (COPPA & Families Policy)

Because **Spooky Sweets: Candy Cauldron** is designed for the entire family, including children:

- We comply with the Children's Online Privacy Protection Act (COPPA) and Google Play's Families Policy.
- We do not collect any personal information from children or any other users.
- All game mechanics and profiles exist strictly on an offline, local-device basis.

5. Data Deletion

Since all game data (such as local profiles and scores) is stored solely on your device, you can delete this data at any time by:

1. Clearing the app storage/cache in your Android device settings, or
2. Uninstalling the app completely from your device.

6. Changes to This Privacy Policy

We may update our Privacy Policy from time to time. Any changes will be posted directly to this page with an updated revision date.
